60%	80%	40%	60%	30%	30%

Forecast for Sunday 26 May 2024

Weather: Outbreaks of rain and drizzle at first, more persistent for a time mid-morning and heavy at times. This breaking up into sunny spells but with scattered heavy showers into the afternoon, these occasionally thundery with a risk of hail. Showers perhaps banding together into longer spells of rain in the evening, with some lower cloud developing.

Chance of cloud-free hill tops above 800m: 10% at first, becoming 40% during the morning, then 20% in the evening.

Low Cloud and visibility: Widespread cloud at first with bases down to 400-600m and visibility often poor to very poor in rain and low cloud. Cloud lifting and breaking during the morning, with areas of cloud base 700-900m, but temporarily lower in heavy showers. Visibility generally good, but poor in showers and very poor in low cloud. Areas of cloud with base 500-600m developing in the evening.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View
A mixed day of weather, with layers required, including waterproofs. In between the thundery showers moderate UV levels are possible so sun protection is advisable, but still feeling chilly on the higher summits. Sudden gusts of wind are possible in association with the showers.

Forecast for Monday 27 May 2024
Weather: Showers mostly easing overnight with a few clear spells developing. Showers developing alongside some sunny spells during the morning, but these significantly lighter than on Sunday and tending to ease during the afternoon.

Maximum wind: Westerly or southwesterly 15-20 mph, gusting 25-30 mph.

Chance of cloud-free hill tops above 800m: 20% during the early hours, becoming 90% by mid-morning.

Low Cloud and visibility: Areas of cloud base 500-600m at first, lifting by mid-morning above the hilltops, except in showers. Visibility mostly good, but moderate in showers and very poor in low cloud.

Temperature: **Valleys:** Plus 5C becoming plus 16C.
At 800m: Plus 6C.
Freezing level: Above summits.
